Agenda Item #11

Approve Supplemental Work Authorization No. 2 to Work Authorization No. 2 with Rodriguez Engineering Laboratories, LLC to extend the termination date for material acceptance testing services for the 183 South Project

Strategic Plan Relevance: Regional Mobility
Department: Engineering
Contact: Justin Word, P.E., Director of Engineering
Associated Costs: \$0 (no additional funding required)
Funding Source: Project Funds
Action Requested: Consider and act on draft resolution

Project Description/Background – Rodriguez Engineering Laboratories, LLC (“REL”) has served as the Mobility Authority’s materials acceptance testing firm on the 183 South Project since March 2016. REL was procured through a qualifications-based selection conducted in accordance with the Professional Services Procurement Act. REL has provided testing personnel and laboratory services for the 183 South Project to ensure that materials constructed and installed by the Design/Build Contractor meets contract requirements.

Previous Actions/Brief History of the Project/Program – The Mobility Authority executed a contract for Materials Acceptance Testing Services for the 183 South Project in December 2015. This contract included a not-to-exceed value of \$5,000,000. In February 2020, the Mobility Authority executed Supplemental Work Authorization No. 1 to Work Authorization No. 2 that included an expiration date of December 31, 2020.

Action requested/Staff Recommendation - Staff recommends approving Supplemental Work Authorization No. 2 to the Work Authorization No. 2 for material acceptance testing services to revise the current termination date from December 31, 2020 to Final Acceptance of the Project.

Funding - Not Applicable
