Mobility Authority Responds to Dec. 1 Traffic Fatality on MoPac

We are saddened by tragic incident that occurred on MoPac last night and extend our deepest sympathies to the all the victims and their families. This is a stark reminder of the dangers posed for crews working in and drivers traveling through construction zones. We are dedicated to maintaining safe work zones, and urge Central Texans to drive safely.

--Mike Heiligenstein, Executive Director, Central Texas Regional Mobility Authority

About the Mobility Authority

The Central Texas Regional Mobility Authority is a local, independent government agency created in 2002 to improve the regional transportation system in Travis and Williamson Counties. The Mobility Authority implements innovative and sustainable transportation options to enhance quality of life and economic vitality in Central Texas. The Mobility Authority operates 183A Toll, 290 Toll, the 71 Toll Lane, the MoPac Express Lane, the 45SW Toll Road, and the 183 Toll Road. The agency is finishing construction of the 8-mile 183 South Project and the 290/130 Flyovers Project. For more information about the Mobility Authority, visit www.MobilityAuthority.com.
