

**GENERAL MEETING OF THE BOARD OF DIRECTORS
OF THE
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

RESOLUTION NO. 24-078

**PROHIBITING THE OPERATION OF CERTAIN MOTOR VEHICLES
ON MOBILITY AUTHORITY TOLL FACILITIES PURSUANT TO
THE HABITUAL VIOLATOR PROGRAM**

WHEREAS, Transportation Code, Chapter 372, Subchapter C, authorizes toll project entities, including the Central Texas Regional Mobility Authority (Mobility Authority), to exercise various remedies against certain motorists with unpaid toll violations; and

WHEREAS, Transportation Code §372.106 provides that a “habitual violator” is a registered owner of a vehicle who a toll project entity determines:

(1) was issued at least two written notices of nonpayment that contained:

(A) in the aggregate, 100 or more events of nonpayment within a period of one year, not including events of nonpayment for which: (i) the registered owner has provided to the toll project entity information establishing that the vehicle was subject to a lease at the time of nonpayment, as provided by applicable toll project entity law; or (ii) a defense of theft at the time of the nonpayment has been established as provided by applicable toll project entity law; and

(B) a warning that the failure to pay the amounts specified in the notices may result in the toll project entity’s exercise of habitual violator remedies; and

(2) has not paid in full the total amount due for tolls and administrative fees under those notices; and

WHEREAS, the Mobility Authority previously determined that the individuals listed in Exhibit A are habitual violators, and these determinations are now considered final in accordance with Transportation Code, Chapter 372, Subchapter C; and

WHEREAS, Transportation Code §372.109 provides that a final determination that a person is a habitual violator remains in effect until (1) the total amount due for the person’s tolls and administrative fees is paid; or (2) the toll project entity, in its sole discretion, determines that the amount has been otherwise addressed; and

WHEREAS, Transportation Code §372.110 provides that a toll project entity, by order of its governing body, may prohibit the operation of a motor vehicle on a toll project of the entity if: (1) the registered owner of the vehicle has been finally determined to be a habitual violator; and

(2) the toll project entity has provided notice of the prohibition order to the registered owner; and

WHEREAS, the Executive Director recommends that the Board prohibit the operation of the motor vehicles listed in Exhibit A on the Mobility Authority's toll roads, including (1) 183A Toll; (2) 290 Toll; (3) 71 Toll; (4) MoPac Express Lanes; (5) 45SW Toll; and (6) 183 Toll.

NOW THEREFORE, BE IT RESOLVED that the motor vehicles listed in Exhibit A are prohibited from operation on the Mobility Authority's toll roads, effective December 18, 2024; and

BE IT FURTHER RESOLVED that the Mobility Authority shall provide notice of this resolution to the individuals listed in Exhibit A, as required by Transportation Code §372.110; and

BE IT IS FURTHER RESOLVED that the prohibition shall remain in effect for the motor vehicles listed in Exhibit A until the respective habitual violator determinations are terminated, as provided by Transportation Code §372.110.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 18th day of December 2024.

Submitted and reviewed by:

James M. Bass
Executive Director

Approved:

Robert W. Jenkins, Jr.
Chairman, Board of Directors

**GENERAL MEETING OF THE BOARD OF DIRECTORS
OF THE
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

RESOLUTION NO. 24-079

ADOPT THE 2024 MOBILITY AUTHORITY STRATEGIC PLAN

WHEREAS, the Central Texas Regional Mobility Authority (“CTRMA”) was created pursuant to the request of Travis and Williamson Counties and in accordance with provisions of the Transportation Code and the petition and approval process established in 43 Tex. Admin. Code § 26.01, *et. seq.* (the “RMA Rules”); and

WHEREAS, pursuant to Texas Transportation Code Section 370.261 and CTRMA Policy Code Section 101.013(a), each even numbered year the Central Texas Regional Mobility Authority is required to prepare a Strategic Plan covering its next five fiscal years; and

WHEREAS, each Strategic Plan must be submitted to the Board for review, approval and adoption; and

WHEREAS, the Executive Director distributed a draft of the proposed 2024 Strategic Plan to each Board Member for review and consideration; and

WHEREAS, the Executive Director has incorporated the Board Member’s comments into the proposed 2024 Mobility Authority Strategic Plan, a copy of which is attached hereto as Exhibit A.

NOW THEREFORE, BE IT RESOLVED that the Board hereby approves and adopts the proposed 2024 Mobility Authority Strategic Plan in the form attached hereto as Exhibit A.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 18th day of December 2024.

Submitted and reviewed by:

James M. Bass
Executive Director

Approved:

Robert W. Jenkins, Jr.
Chairman, Board of Directors

2024

STRATEGIC PLAN

CENTRAL TEXAS REGIONAL
MOBILITY AUTHORITY

2025 - 2029
ADOPTED | DEC 2024

INTRODUCTION AND OVERVIEW

This document represents a summary of the organization's strategic decision-making and prioritization, and it is intended to serve as the formal strategic plan that will guide the organization through 2029. The primary focus areas of this plan include:

- ▶ Mission, Vision, and Values Statements
- ▶ A set of near-term Strategic Goals
- ▶ A corollary Capital Improvement Plan
- ▶ Other supporting analysis and priorities

MISSION, VISION, AND VALUES STATEMENTS

CTRMA's **Vision** is to be the most trusted and effective provider of transportation options that enhance the quality of life in Central Texas.

Our **Mission** is to develop, deliver, operate and maintain high-quality roadways and related transportation solutions.

Our **Values** as an organization include:

BACKGROUND AND SITUATIONAL ASSESSMENT

The primary strategic issues that CTRMA works diligently to address are the continuing challenges to transportation mobility in such a fast-growing region. And while we are a transportation focused entity, we also play a role in improving the overall quality of life and economic development in our rapidly evolving region.

CTRMA is inherently a collaborative agency, with our primary stakeholders being the leadership of Travis and Williamson Counties, who each appoint three of our seven board members, and each of whom also undertake transportation and mobility-related initiatives which we work to support and complement.

We also work closely with our stakeholders Capital Area Metropolitan Transportation Organization (CAMPO), the Texas Department of Transportation (TxDOT), municipalities, as well as transit partners, and strive to build new relationships with other partners and new entities as they enter our region.

The Central Texas region is anticipated to grow from 2 to 4 million people, and CTRMA is uniquely positioned to invest in safe transportation solutions to increase access to jobs, education, and other opportunities for the people of Central Texas. The region has seen increasing housing and transportation affordability pressures. Diverse solutions are needed for residents of suburban, rural, and urban areas to continue having easy access to the high quality of life the region has to offer. Reducing the costs of crashes and congestion will continue to be a top priority for communities across the region.

In addition, as environmental standards also continue to evolve, we will continue to plan for our transportation mobility future with these standards in mind.

The emergence of transformational technologies that serve our industry will continue to change the nature of transportation mobility as we understand it. While innovation will inevitably bring more interoperability and more sophisticated tolling equipment, as well as technologies such as automated and connected vehicles (AV/CV) and ride-sharing mechanisms within reach of a greater percentage of the population, we will continue to have the opportunity to adapt to an ever-evolving regional transportation mobility landscape. Moving Central Texas forward in the face of the transportation mobility barriers we face requires a strong foundation that is both future-oriented and rooted in the present. We are developing processes to systematically monitor, track, and apply industry best practices to the mobility solutions we are implementing. Keeping our finger on the pulse of the industry through public opinion research and collaborative partnerships ensures that our transportation solutions keep pace with technological and societal advancements.

Since the last strategic plan in 2022, construction on the 183A Phase III and 183 North Projects have advanced significantly, the Barton Skyway Ramp Relief Project was successfully delivered, the 183A Added Capacity Environmental Study commenced, the MoPac South Environmental Study continued to advance through the NEPA process, and the 290 Phase IV Project was brought to procurement for environmental and schematic.

These investments reflect continued regional growth and usage of our roadway network as evidenced by increased transaction revenue. In 2022, transaction revenue increased by 28.6% and in 2023 it increased by 8.9%. In 2024, S&P Global Ratings upgraded and assigned an A+ rating to the Mobility Authority for the Senior Lien Revenue Refunding Bonds and Subordinate lien TIFIA loans, while Moody's increased the agency's bond outlook to "positive" based on year-to-date toll revenue collection exceeding projections and improved interest earnings. This exemplifies the investment market's confidence in the Mobility Authority's ability to effectively deliver and operate infrastructure projects in the diverse and fast-growing Central Texas region.

STRATEGIC PRIORITIES AND GOALS

CTRMA is laser focused on enhancing transportation mobility, and therefore the quality of life for all Central Texans. Our primary area of investment since our inception, and continuing into the near future, is the development, building, and maintaining of much-needed toll roads and toll lanes and non-tolled enhancements across our region. In addition, we will continue to invest in other aspects of transportation mobility for our region, including securing of right-of-way required for future projects and current facility expansion, safe bike and pedestrian paths that are connected to our facilities, and other strategic investments that enhance the utilization of our network.

Our core work at CTRMA can be summarized in the below five key areas:

- ▶ **Plan** for greater regional transportation mobility with our partners
- ▶ **Innovate** in the delivery of leading-edge transportation mobility solutions
- ▶ **Build** toll and non-toll roadway and connected transportation mobility projects
- ▶ **Serve** our customers and stakeholders with excellence
- ▶ **Preserve** the regional environment and the health of our system

The CTRMA Board and Leadership Team have determined that establishing the following strategic goals for the coming five years will serve to help us achieve our vision:

Goal 1: Build, operate and maintain toll and non-toll roads that reduce congestion and connect our region in innovative and safe ways.

Supporting strategies:

- Partner with CAMPO to determine priority toll road projects and potential adjacent non-tolled roads to provide congestion mitigation
- Partner with Travis and Williamson counties to work together on projects and opportunities to serve each county and the broader region
- Stay attuned to and pilot/implement technological advancements that maximize opportunities to provide enhanced mobility, safety, and quality of life for Central Texans
- Analyze traffic incidents to reduce severity and frequency of such incidents

Goal 2: Develop and adhere to a system-wide Capital Plan

Supporting strategies:

- Continue the capital planning process and update that plan on an annual basis, working within the agency's financial constraints
- Ensure that the Capital Plan maintains and enhances the existing CTRMA system as a priority
- Partner with local communities to expand the CTRMA system and possibly develop other non-tolled projects
- Ensure the Capital Plan utilizes a risk based analysis for maintenance project selection

Goal 3: Implement financial strategy and policies that prioritize long-term system health and growth, a decreased reliance on debt, and good financial stewardship

Supporting strategies:

- Review existing financial policies to ensure optimal flexibility within the ever-changing world of transportation
- Maintain healthy credit ratings that allow us to borrow funds at lower costs to advance projects within our region
- Establish reserves within the capital improvement plan for future projects to reduce reliance on debt and maximize opportunities to lower costs
- Promote informed decision making by proactively assessing corridors and equipment to determine needs and plan for future costs

Goal 4: Maintain and enhance our strategic partnerships to advance the common goals we share with our regional partner agencies

Supporting strategies:

- Ensure frequent collaboration and coordination with Central Texas counties and municipalities, community organizations, neighborhood groups, etc. to ensure continuous engagement with Central Texans throughout the region
- Continue to participate in regular inter-agency meetings to maximize our collaboration among state and local transportation agencies
- Remain committed to considering safety in project analysis and enhancements
- Work to prioritize non-road projects such as Park & Rides, trails, neighborhood sidewalks, etc. that enhance the utilization of our network to the extent resources are available
- Consider strategic partnerships for projects that do not connect to our system but enhance connectivity to the region; i.e. roadway projects, multimodal options, Construction Partnership Program, etc

Goal 5: Make targeted decisions, plans and investment that positively impact our customers and enhance quality of life in our communities

Supporting strategies:

- Remain committed to delivering the highest level of customer service in all tolling operations; i.e. expanding payment options, improving billing processes, etc.
- Explore opportunities within new and existing communication channels to continue education campaigns and outreach which inform the public on roadway operations, tolling, electronic tag benefits, road closures, etc.
- Ensure frequent collaboration and coordination with regional partners to maintain network mobility and improve traffic management and incident response
- Maintain the agency's long-standing position as a leader in the region and within the transportation industry through continued early adoption of new tech and enhancements to toll operations to improve customer experience

IMPLEMENTATION AND RE-EVALUATION

CTRMA is required by statute to create a strategic plan every two years. This plan was developed to address both the near-term two-year outlook and the longer five-year requirement and set CTRMA on a strategic path. A Capital Plan has also been developed to work in conjunction with the Strategic Plan. The CTRMA board and leadership are committing to regularly re-evaluate these plans, our progress toward goal achievement, and more, working to make it a living document. The CTRMA Board will evaluate leadership's effectiveness in helping CTRMA achieve the goals and strategies in this plan, and CTRMA will report to the public on any changes to, and on progress toward completing, this plan.

OUR LEADERSHIP

The **Board** and **Staff** Leadership involved in developing and completing this plan include:

MOBILITYAUTHORITY.COM

**GENERAL MEETING OF THE BOARD OF DIRECTORS
OF THE
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

RESOLUTION NO. 24-080

**APPROVING THE RANKING OF FIRMS FOR NEGOTIATIONS OF A CONTRACT
FOR THE DEVELOPMENT OF SCHEMATIC DESIGN AND ENVIRONMENTAL
STUDY FOR THE 290E PHASE IV PROJECT**

WHEREAS, the cities of Manor and Elgin passed resolutions in support of a potential extension of the 290E Manor Expressway eastward from 290 Toll along US 290 from SH 130 to Elgin, Texas (290E Phase IV Project); and

WHEREAS, following a feasibility study, conducted by the Mobility Authority for the 290E Phase IV Project, the Texas Department of Transportation authorized the Mobility Authority to begin an environmental and schematic study in August 2024; and

WHEREAS, On October 28, 2024, the Mobility Authority issued a request for qualifications (RFQ) to firms interested in providing services for the development of schematic design and environmental study of the 290E Phase IV Project; and

WHEREAS, the Mobility Authority received responses to the RFQ from three firms by the November 18, 2024 deadline; and

WHEREAS, the responses were reviewed by an evaluation committee and interviews were conducted in accordance with the procedures set forth in the RFQ and the Mobility Authority Policy Code; and

WHEREAS, following the review of responses and interviews, the evaluation committee prepared a ranked list of the respondents beginning with the most highly qualified respondent, as shown in Exhibit A; and

WHEREAS, the Executive Director recommends that the Board approve the ranked list of the respondents prepared by the evaluation committee, and as provided in Section 401.035 of the Mobility Authority Policy Code, authorize the negotiation of a contract for services for the development of schematic design and environmental study of the 290E Phase IV Project with the most highly qualified respondent.

NOW THEREFORE, BE IT RESOLVED that the Board hereby approves the ranking of the respondents as shown in Exhibit A, and the selection of the most highly qualified respondent to provide services for the development of schematic design and environmental study of the 290E Phase IV Project to the Mobility Authority; and

BE IT FURTHER RESOLVED that pursuant to the process provided in Section 401.035 of the Mobility Authority Policy Code, the Executive Director is authorized to negotiate a contract with

the most highly qualified respondent and if a satisfactory contract cannot be negotiated, the Executive Director shall formally end negotiations and enter into negotiations with the next most highly qualified respondent; and

BE IT FURTHER RESOLVED that once a satisfactory contract has been negotiated, the Executive Director shall present the proposed contract to the Board for its approval.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 18th day of December 2024.

**GENERAL MEETING OF THE BOARD OF DIRECTORS
OF THE
CENTRAL TEXAS REGIONAL MOBILITY AUTHORITY**

RESOLUTION NO. 24-081

**AUTHORIZE THE EXECUTIVE DIRECTOR TO TAKE ALL ACTIONS NECESSARY
TO OCCUPY, OPERATE, MANAGE, AND MAINTAIN A NEW HEADQUARTERS
BUILDING**

WHEREAS, the Mobility Authority is contemplating the acquisition of a freestanding office building within the Austin area to serve as the Mobility Authority's headquarters (the Headquarters Building); and

WHEREAS, the Executive Director retained the services of a real estate brokerage firm to identify feasible options to serve as the Headquarters Building; and

WHEREAS, the Executive Director has identified a potential property to serve as the Headquarters Building (the Subject Property) and, pursuant to the nonbinding Letter of Intent, dated June 12, 2024 (the LOI), agreed to the terms of a transaction to purchase the Subject Property; and

WHEREAS, pursuant to Resolution No. 24-036, dated June 26, 2024, the Board of Directors authorized the Executive Director to negotiate and execute a purchase and sale agreement (PSA) to purchase the Subject Property, consistent with the terms set forth in the LOI, and to take all actions necessary to ensure the completion of due diligence and feasibility assessments to determine whether the Subject Property is suitable for the Mobility Authority's intended use; and

WHEREAS, pursuant to Resolution No. 24-077, dated November 20, 2024, the Board of Directors authorized the Executive Director to take all actions necessary to exercise the Mobility Authority's rights under the PSA, including executing and delivering ancillary agreements, affidavits, and other documents required to complete the purchase of the Subject Property; and

WHEREAS, following the completion of the purchase of the Subject Property, the Mobility Authority must expend funds consistent with the prudent ownership of a freestanding office building within the Austin area and enter into agreements to provide services related to the occupancy, operation, management, and maintenance of the Subject Property (the "Ownership Responsibilities"); and

WHEREAS, the Services are estimated to cost up to \$300,000.00 for the remainder of fiscal year 2024 (the Ownership Responsibilities Costs); and

WHEREAS, the Executive Director recommends that the Board authorize: (i) the Executive Director to take all actions necessary to expend funds and enter into agreements to fulfill the Ownership Responsibilities, for an amount not to exceed the Ownership Responsibilities Costs; (ii) the Executive Committee to approve any necessary expenditures of funds in excess of the Ownership Responsibilities Costs; and (iii) the Executive Committee to approve any waiver of

provisions of the Mobility Authority Policy Code regarding the procurement of the Ownership Responsibilities.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors hereby authorizes the Executive Director to take all actions necessary to expend funds and enter into agreements to fulfill the Ownership Responsibilities, for an amount not to exceed the Ownership Responsibilities Costs; and

BE IT FURTHER RESOLVED, that the Board of Directors hereby authorizes the Executive Committee to approve any necessary expenditures of funds in excess of the Ownership Responsibilities Costs; and

BE IT FURTHER RESOLVED, that the Board of Directors hereby authorizes the Executive Committee to approve any waiver of provisions of the Mobility Authority Policy Code regarding the procurement of services related to the Ownership Responsibilities.

Adopted by the Board of Directors of the Central Texas Regional Mobility Authority on the 18th day of December 2024.
